## FALCON IS NOW PART OF A LEGAL SERVICES POWERHOUSE.

On October 16, 2014 Falcon became part of DTI, a legal services powerhouse. Founded in 1998, DTI has grown to be the largest privately held legal process outsourcing (LPO) company in the U.S., providing eDiscovery, managed services and litigation support to the legal and corporate markets. Falcon and DTI will expand the availability of Falcon's InsideOut™ managed services across the country and around the world.

Join the Falcon Discovery mailing list for news and insights on e-discovery.

#### FEATHERS IN OUR CAP...

*I've worked with Don McLaughlin and Falcon Discovery for over a decade. From the inception, Falcon has always provided sound advice, been supremely accountable and exhibited a refreshingly practical approach.*

- Rich Baer

Senior Vice President and General Counsel, Liberty Media Corporation  
Former Executive Vice President and Chief Legal Officer, UnitedHealth Group

#### Meet the president

Founder Don McLaughlin is the architect of Falcon's managed service model. He's a former in-house attorney who understands the challenges associated

with electronically stored information (ESI) and leads a team of legal and technical pros focused on restoring sanity to e-discovery processes.
